  - Cash Component
  - Gold Component (24 Karat Gold or Jewellery form)

# DISCLAIMER

## Important Note on Financial Safety

---

Plans that promise high fixed monthly returns (e.g., 60% annually) alongside massive upfront "returns" (50% on day one) and deep multi-level referral structures often carry significant financial risk. These characteristics are frequently associated with unsustainable financial models or Ponzi schemes. Please exercise extreme caution and conduct thorough legal due diligence before committing funds.
